

Health Benefits, Time Away From Work, Life Insurance and More

We focus on keeping HCA Rewards fair, smart and competitive so we can offer full-time and part-time colleagues a full package of rewards and benefits that support health, life, career and retirement.

Medical Benefits

(Medical, Vision, Dental, Rx)
We offer a range of medical programs, so you can choose the one that works best for your budget and care preference.

Time Away From Work

Even when you love your job, you need time off to recharge and recover. CRH offers paid time off, paid family leave, disability coverage and leaves of absence.

Disability & Life Insurance

Be covered in case of a life-changing event with a range of employee or dependent life insurance options; long-term and short-term disability benefits.

Health & Wellness

When life is getting difficult, it can help to talk with a professional. That's why we offer referral services provided by our own medical professionals.

Paid Family Leave

We offer expanded family leave benefits. Including paid leave to bond with a new child or care for a family member with a serious health condition.

Certification Assistance

Additionally, our certifications support program pays testing fees and offers online prep assistance for select advanced clinical certifications.
